

- 1. Article VIII, Section 8.3(F) shall be deleted in its entirety and replaced with the following:**

No truck of any kind shall be permitted to be parked within this subdivision for a period of more than eight hours, unless the same is actually being used for construction or repair work of a house in this subdivision. In no event will any truck be permitted to be parked in the subdivision overnight, unless said truck is in an enclosed garage. Non-commercial use passenger type station wagons, pickup trucks, sport utility vehicles, and vans (not exceeding 20 feet in length or having bath or cooking facilities) shall not be construed to be a truck but rather they are to be classified in the same category with any other passenger type vehicle.
